

# Preferred Learning Style Inventory

Each statement is followed by four possible responses. Rank the responses on a scale of 1 to 4, with 4 being most like you and 1 being least like you. Don't use any number more than once per line.

1 As a person, I am:

<input type="text"/>	<input type="text"/>	a. responsive	<input type="text"/>	<input type="text"/>	b. a thinker	<input type="text"/>	<input type="text"/>	c. practical	<input type="text"/>	<input type="text"/>	d. a risk taker
----------------------	----------------------	---------------	----------------------	----------------------	--------------	----------------------	----------------------	--------------	----------------------	----------------------	-----------------

2. When I tackle a new task:

<input type="text"/>	<input type="text"/>	a. I consider every alternative	<input type="text"/>	<input type="text"/>	b. I study up on it	<input type="text"/>	<input type="text"/>	c. I seek advice from one who has done it	<input type="text"/>	<input type="text"/>	d. I start right in and do it my way
----------------------	----------------------	---------------------------------	----------------------	----------------------	---------------------	----------------------	----------------------	---	----------------------	----------------------	--------------------------------------

3. When I learn I want:

<input type="text"/>	<input type="text"/>	a. reasons	<input type="text"/>	<input type="text"/>	b. facts	<input type="text"/>	<input type="text"/>	c. involvement	<input type="text"/>	<input type="text"/>	d. results
----------------------	----------------------	------------	----------------------	----------------------	----------	----------------------	----------------------	----------------	----------------------	----------------------	------------

4. I tend to be:

<input type="text"/>	<input type="text"/>	a. too soft-hearted	<input type="text"/>	<input type="text"/>	b. too dependent on facts and figures	<input type="text"/>	<input type="text"/>	c. too hasty	<input type="text"/>	<input type="text"/>	d. too impulsive
----------------------	----------------------	---------------------	----------------------	----------------------	---------------------------------------	----------------------	----------------------	--------------	----------------------	----------------------	------------------

5. I tend to rely on:

<input type="text"/>	<input type="text"/>	a. my feelings	<input type="text"/>	<input type="text"/>	b. my judgment	<input type="text"/>	<input type="text"/>	c. common sense	<input type="text"/>	<input type="text"/>	d. my intuition
----------------------	----------------------	----------------	----------------------	----------------------	----------------	----------------------	----------------------	-----------------	----------------------	----------------------	-----------------

6. I most enjoy in a learning situation:

<input type="text"/>	<input type="text"/>	a. small group discussions	<input type="text"/>	<input type="text"/>	b. accuracy and orderliness	<input type="text"/>	<input type="text"/>	c. exploring possible solutions	<input type="text"/>	<input type="text"/>	d. act on hunches
----------------------	----------------------	----------------------------	----------------------	----------------------	-----------------------------	----------------------	----------------------	---------------------------------	----------------------	----------------------	-------------------

7. When faced with problems, I:

<input type="text"/>	<input type="text"/>	a. seek input from peers	<input type="text"/>	<input type="text"/>	b. seek logical solutions	<input type="text"/>	<input type="text"/>	c. see practical solutions	<input type="text"/>	<input type="text"/>	d. act on hunches
----------------------	----------------------	--------------------------	----------------------	----------------------	---------------------------	----------------------	----------------------	----------------------------	----------------------	----------------------	-------------------

8. In choosing solutions, I look for:

<input type="text"/>	<input type="text"/>	a. agreement	<input type="text"/>	<input type="text"/>	b. accuracy	<input type="text"/>	<input type="text"/>	c. efficiency	<input type="text"/>	<input type="text"/>	d. predicted results
----------------------	----------------------	--------------	----------------------	----------------------	-------------	----------------------	----------------------	---------------	----------------------	----------------------	----------------------

9. When I buy, I am most influenced by:

<input type="text"/>	<input type="text"/>	a. the salesperson	<input type="text"/>	<input type="text"/>	b. <i>Consumer Reports</i>	<input type="text"/>	<input type="text"/>	c. the test drive plus warranty	<input type="text"/>	<input type="text"/>	d. impulse
----------------------	----------------------	--------------------	----------------------	----------------------	----------------------------	----------------------	----------------------	---------------------------------	----------------------	----------------------	------------

10. I identify with:

<input type="text"/>	<input type="text"/>	a. caring people	<input type="text"/>	<input type="text"/>	b. knowledgeable people	<input type="text"/>	<input type="text"/>	c. sensible, efficient people--problem solvers	<input type="text"/>	<input type="text"/>	d. enterprising people
----------------------	----------------------	------------------	----------------------	----------------------	-------------------------	----------------------	----------------------	--	----------------------	----------------------	------------------------

11. I am:

<input type="text"/>	<input type="text"/>	a. a people person	<input type="text"/>	<input type="text"/>	b. a logical person	<input type="text"/>	<input type="text"/>	c. a practical person	<input type="text"/>	<input type="text"/>	d. an enthusiastic person
----------------------	----------------------	--------------------	----------------------	----------------------	---------------------	----------------------	----------------------	-----------------------	----------------------	----------------------	---------------------------

12. When dealing with new information, I like to:

<input type="text"/>	<input type="text"/>	a. file it for future use	<input type="text"/>	<input type="text"/>	b. analyze it	<input type="text"/>	<input type="text"/>	c. apply it to new situations	<input type="text"/>	<input type="text"/>	d. put it to practical use
----------------------	----------------------	---------------------------	----------------------	----------------------	---------------	----------------------	----------------------	-------------------------------	----------------------	----------------------	----------------------------

<input type="text"/>	<input type="text"/>	<b>Total Column 1</b>	<input type="text"/>	<input type="text"/>	<b>Total Column 2</b>	<input type="text"/>	<input type="text"/>	<b>Total Column 3</b>	<input type="text"/>	<input type="text"/>	<b>Total Column 4</b>
----------------------	----------------------	-----------------------	----------------------	----------------------	-----------------------	----------------------	----------------------	-----------------------	----------------------	----------------------	-----------------------

Add each column; the highest score--this will indicate your strongest learning style: 1-Innovative, 2-Analytic, 3-Common Sense, 4-Dynamic
